Inter Disciplinary International Conference - 2019

Academic Research and Innovation in Teaching & Arising
Inclination in Professional Education

Dear Sir/Madam,

CMCS, Yavatmal in collaboration with Smt. Nankibai Wadhawani Kala Mahavidyalay, Yavatmal has organized Interdisciplinary International Conference "Arising Inclination in Professional Education" (AIPE-2019) to be held on 22nd and 23rd November, 2019. We are pleased to invite you to register, participate and contribute high quality deliberation and make the event a success.

About HJES

Today, Harikisan Jajoo Education Sanstha, Yavatmal is one of the fastest growing organization in the field of education. An organization devoted to the cause of propagation of education among all the sections of the society. The Founders of the Sanstha aspire to create an enduring "College Of Management And Computer Science" unique in its "Guiding Vision, Faculty, Curriculum and Students". The founders, being leading businessmen and industrialists know the demands of the industry and have an urge to train the students as per the requirements of the industry. The founders believe in developing professionals who believe in themselves and are equipped with the latest state of the art in their respective fields; professionals who are confident and can compete in the challenging world.

About CMCS

College Of Management And Computer Science, Yavatmal, was started with the permission of the Government Of Maharashtra and was established in the Year 2002, formally affiliated to Sant Gadge Baba Amravati University, Amravati. CMCS, Yavatmal is one of the few professionally run premier institute in this region. The College has been continuously striving for excellence in education, training, research and consultancy in the fields of Management and Computer Science with a Mission of Offering Value Based Education.

Having the aspiration to groom future generation of business and IT leaders, the founders are committed to provide all the facilities and support for quality education and research to the students. The environment of CMCS nurtures creativity, innovativeness, professional approach, positive attitude, technical skills and motivates the students to excel in their endeavor.

The College regularly invites experts from allied disciplines of management and computers to guide the students. Seminars, market surveys, developing and presenting reports, group discussions and case presentations are held at regular intervals. CMCS has a committee-based system for a systematic approach towards education, important amongst them are the "Placement, Academics, Seminars and Presentations, Sports, Field visits and Students coordinating Committees".

About Conference

Professional education educates the new generations of professionals, expanding the frontiers of knowledge and reaching out in service to society. International Conference "AIPE" aims to provide a platform to share latest and innovative ideas with peers and senior group of peoples around the globe by the help of PPT and Poster Presentation. It provides a great opportunity to connect with attendees from different disciplines (prospective) and views, learn from them and strengthen the existing ones.
