6.1.1. The governance of the institution is reflective of and in tune with the vision and mission of the institution

Response:

Vision of the institution is

- To give society a team of young and dynamic management and computer professionals.
- To run the institute for imparting knowledge and training in management and computer technology.
- To publish periodicals, journals, books and other literature in the respective fields.
- To collect information and set up a bureau regarding management and computer technology.
- To perform all acts, deeds or things that are necessary for the advancement and attainment of the aforesaid objectives.

Mission of the institution is:

Position

To be the leading and most sought after institute of education & research in emerging technology and management disciplines that attracts, retains and sustains gifted individuals of significant potential.

Accomplishment

To offer rewarding, relevant, knowledge driven learning and research experience and be the center of outstanding individual and institutional accomplishments that explores new horizons and creates challenging opportunities.

Values

To be a socially responsible institution of visible values and high ethical practices that nurtures an environment of equity, enlightenment, freedom and enterprise and enriches the learning ethos of our people.
