Inter Disciplinary International Conference - 2019
Academic Research and Innovation in Teaching & Arising Inclination in Professional Education

Dear Sir/Madam,

CMCS, Yavatmal in collaboration with Smt. Nankhwal Wadhvani Kala Mahavidyalay, Yavatmal has organized Interdisciplinary International Conference "Arising Inclination in Professional Education" (A.IPE-2019) to be held on 27th and 28th December 2019. We are pleased to invite you to register, participate and contribute high quality education and make the event a success.

Aim & Objectives

Today, Harikisan Jaisoo Education Sansaltha, Yavatmal is one of the fastest growing organization in the field of education. An organization devoted to the cause of propagation of education among all the sections of the society. The Founders of the Sansaltha aspire to create an enduring "College Of Management And Computer Science" unique in its "Guiding Vision, Faculty, Curriculum and Students". The founders, being leading businessmen and industrialists know the demands of the industry and have an urge to train the students as per the requirements of the industry. The founders believe in developing professionals who believe in themselves and are equipped with the latest state of the art in their respective fields; professionals who are confident and can compete in the challenging world.

Aim of CMCS

College Of Management And Computer Science, Yavatmal, was started with the permission of the Government Of Maharashtra and was established in the Year 2002, formerly affiliated to Sant Gadge Baba Amravati University, Amravati. CMCS, Yavatmal is one of the few professionally run premier institute in this region. The College has been continuously striving for excellence in education, training, research and consultancy in the fields of Management and Computer Science with a Mission of Offering Value Based Education.

Having the aspiration to groom future generation of business and IT leaders, the founders are committed to provide all the facilities and support for quality education and research to the students. The environment of CMCS nurtures creativity, innovativeness, professional approach, positive attitude, technical skills and motivates the students to excel in their endeavor.

The College regularly invites experts from allied disciplines of management and computers to guide the students. Seminars, market surveys, developing and presenting reports, group discussions and case presentations are held at regular intervals. CMCS has a committee based system for a systematic approach towards education, important amongst them are the "Placement, Academics, Seminars and Presentations, Sports, Field visits and Students coordinating Committees".

Aim of Conference

Professional education educates the new generations of professionals, expanding the frontiers of knowledge and reaching out in service to society. International Conference "A.IPE" aims to provide a platform to share latest and innovative ideas with peers and senior group of peoples around the globe by the help of PPT and Poster Presentations. It provides a great opportunity to connect with attendees from different disciplines (prospective) and views, learn from them and strengthen the existing ones.

INAUGURATION:

This workshop was inaugurated by chief guest Mr. Nilesh Bhoyar , Kartik Software Solutions, Yavatmal at 11:00 AM. This event is graced by the presence of Mr. Aashish P. Jajoo, secretary, College of Management and Computer Science, Yavatmal. Prof. R. D. Chandak, Principal College of Management and Computer Science Yavatmal, Prof. A. K. Shingarwade, IQAC Co-ordinator, Heads of different departments of College of Management and Computer Science, Yavatmal were also among the dignitaries present on the dais. Prof. Sudhir Velukar conducted the proceedings. Prof. R. D. Chandak, Principal College of Management and Computer Science Yavatmal also stated his views about the need of online teaching during the covid-19 pandemic.

CORE OBJECTIVES:

The core objective of this workshop was to prepare teaching staff for the online teaching-learning method so that they can challenge the situation of pandemic and also the students should not be suffered.

DETAILS

During the covid – 19 pandemic all students and staff were at home but the process of teaching and learning should not be stopped. So management and IQAC decided to start the online teaching in which there will be recording of lecture first. It will then be uploaded on google classroom which the students can get from the comfort of their home. After that an online video lecture(online meeting) will also be there for doubt clearing of students. So for the training of such online teaching to all the teaching staff, this workshop is arranged.

Guest of this program is also the trainer of this event. This workshop was organized in two different sessions. In the first session guest tells about OBS studio in which teachers can record their video lectures. He also tells about the tricks and methods by which a very interactive lecture can be recorded.

Second session starts at 3:30 pm after the tea break. In this session Mr. Nilesh Bhoyar teaches about google classroom in which he tells about creating classes, uploading of lectures, assignments, tests etc and also about the conduction of zoom lectures. All teaching staff members were very much satisfied with this workshop as they got knowledge about the new technology.
