Going forward, College will continue to be invoiced for web hosting charges once a year by Kartik Software Solutions.

Payment Terms: One-third of total web development fee invoiced and due before work begins. A second one-third as well as the web hosting charge invoiced when page design templates are completed. Balance, adjusted for any changes, invoiced upon delivery of working application. All invoices are Net 10 Days.

Change Orders: The addition of pages or significant functions or features not specified here may result in additional costs. Kartik Software Solutions will make this clear via Change Orders.

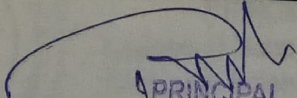

Schedule: Work will begin within one week of signing of contract and receipt of deposit payment. Approximately 2 weeks will be required from start to finish, assuming that the processes of providing content, feedback, and approval are free from delays.

Future Updates: Kartik Software and Solutions will maintain and update the site in future as per requirements.

Maintenance and upgradation charges will be charged at the time of renewal of domain name and no further charges will be charges will be charge for the year.
The CMCS will be informed well in advance about the renewal of the domain name and web hosting charges one month before the expiry date of it. If the CMCS fails to pay the charges one week before expiry date the contract will automatically terminate.

The procedure of renewing domain name and web hosting
