Policy Document on Disabled Friendly, Barrier free Environment

College Of Management And Computer Science, Yavatmal always considers their privilege to serve differently abled members of the community as its priority.

The Institution has following pre-formulated guidelines and policies to keep the campus disabled friendly and barrier free environment for the Divyangjan:

- ✚ All the stakeholders of the Institution should consider their duty to serve the differently abled students.
- ✚ No person with disability shall be discriminated on the ground of disability by any stakeholder of the Intuition.
- ✚ To utilise the capabilities of disabled students in the class, appropriate environment and treatment should be provided by the teachers.
- ✚ A disabled student should be given equal opportunity like other students to participate in any of the institutional event wherever possible. There should be no discrimination on the part of his/her disability.

- ✚ The class to which a differently abled student is admitted should be shifted to a room to which he/she can have the easiest and shortest access.
- ✚ Any differently abled student need not have to approach the office for any administrative purpose. He/She will be volunteered by any of the stakeholder to get the work done or by the administrative staff itself.
- ✚ It is the responsibility of all the staff and students to offer help to differently abled students without waiting to be requested to.
- ✚ A barrier free environment should be provided so that the differently abled students can move about without obstacles anywhere in the campus.
- ✚ The library staff should provide the students with the E-books/study material available in PPT bank to the differently abled students request through e-mail.
- ✚ The vehicle of a differently abled student can come into the campus to the nearest point where her classroom is situated.
- ✚ Special parking area is provided for the vehicles of the differently abled students.

- # Audio lessons should be provided to the differently abled students
- # Scribes should be allowed to the differently abled students on request.
- # At the time of admission, a Helpdesk should be set apart for the differently abled students seeking admission.
- # Ramps should be set up in appropriate places so the differently abled students should have an easy access to the classrooms, library, computer Lab and electronics lab.
- # Special toilets should be provided for the differently abled students.
