INSTITUTIONAL DISTINCTIVENESS

College of Management and Computer Science emerges as a leading Institute for management and computer science studies in the vicinity. The college was established in 2002 with a fewer students and with its valued education system has now increased number of admissions every year. The positive outcomes are achieved due to the Vision of Institution to provide the society a team of young and dynamic management and computer professionals. The Institution provides ample opportunities to students belonging to different streams to develop themselves in academic, sports, cultural and other extracurricular activities organised by the college. The Institution understands the demands of the industry and to develop those calibre professionals, it always blends curricular with co-curricular activities.

CMCS VISION AND MISSION

CMCS STAFF AND STUDENTS

Effective curriculum Delivery and Infrastructure:

Continuous Evaluation of students is carried out by means of regular sessional and term exams, aptitude tests help the teachers to keep track of academic growth of students. Mentor-Mentee scheme helps to solve the student's problem at the class level. Besides the required curricular activities, students are exposed to various other programs like group discussions, seminar presentation competitions, poster competition, virtual code class,

Mentor- Mentee Report
Session 2019-2020

In Our College students from various family backgrounds and from various areas of district are admitted. College has been working on mentor-mentee scheme to establish relationship between teachers and students. Mentorship is one of the personal and relationship-building learning experiences. In this academic year 2019-20 each staff member was assigned to look after 32 students as mentor. In the month of July an informal first meeting was conducted and mentees were informed what type of help and guidance they could get from their mentors. The goal of mentorship is to help mentees learn skills and information that will help lead them to success in their careers. Mentors are available to offer and serve as a resource to the mentee whenever they need help. Students were monitored for technical as well as soft skill enhancement which results in improved employability, performance in internal exams as well as providing a support system to guide and motivate the students, educational and personal growth of students.

In addition to academic learning, there are many additional sources of stress that the student faces. Some of them discussed below.

- 1) Family expectations or problems
- 2) Lack of confidence
- 3) Poor grades/not studying or reading enough.
- 4) Find some subjects very difficult to learn.
- 5) Less participation in curricular and co-curricular activities.

All the problems mentioned above were discussed with the mentors by mentees and mentors try to solve these problems. Mentors suggested students to attend the extra lectures to solve subject related issues and to improve their grades. Mentors suggested students to participate in various events such as seminar presentation, poster making, model presentation competition so that they can learn through participation. During the interaction with mentees, student's arise one issue regarding their preparation for competitive examination, campus placement and the issue resolved as follows.

Sr. No.	Issues Raised	Issues Resolved
1	Competitive Examinations Books Should made available	This issue is resolved. College decided to purchase books for preparation of competitive examination.
2	Placement Training Program	This issue is resolved. Campus Placement Training Program started and the responsibility of this program was given to Mr. Amol B. Payghan and Mr. Shubham S. Kane

National Level Webinar

National level webinar conducted

YAVATMAL / NAGPUR POST 05 Dec: One-day national level webinar on "NAAC Accreditation Process and ICT Tools" was conducted by IQAC department of Sant Gadge Baba Amravati University and College of Management and Computer Science Yavatmal on December, 04, 2020. The webinar was inaugurated by Ashish Jaju, Secretary of Harikisan Jaju Education Society. Prof Shubham Kane conducted the proceedings while Prof Dr Sudhir Velukar delivered the views. Chief guest Dr Uday Navlekar (Principal, Abasaheb Parvekar College, Yavatmal) encouraged the college to deal with NAAC and gave valuable guidance. This webinar was organized in two sessions. In the first session, Dr SFR Khadri (IQAC Coordinator, SGBAU) informed about all the seven criteria of NAC and addressed the queries of the participating professors while in the second session Dr Amit Bhusari (Panka)Laddhad Institute of Technology, Buldhana) gave information about ICT devices. Principal Ritesh Chandak expressed his views about the program. Prof Atul Shingarwade proposed a vote of thanks.

Focus On Institutional Values and Social Responsibilities:

The institution not only strives to develop professionals of exceptional calibre but also want them to be social conscious. The college has an active NSS unit wherein students from all the programs participate in whole year. Under the NSS program, students learn to contribute their efforts towards society and other beings. The spirit of team work, discipline, and social responsibility towards community is inculcated through NSS in students. This year at the adopted village, our students contribute their social service via certain programs like Gram-Swachhata, Street Drama, Gram-Sarwekshan, Awareness Rally, and Cultural Programs for villagers, etc. Intellectual Session for students and villagers help them to create awareness on various aspects during the year due to Covid 19 pandemic.

Other programs to inculcate human values among students include Mask and Sapling Distribution to nearby college areas, Tree Plantation, Blood Donation Camp, street drama etc. As a concern for social responsibility college has setup “Unnati Vachanalay” for the nearby college area citizens. Citizens of nearby area can access the library books in the prescribed time.

Exceptional Events:

One of the distinctive features of college initiatives is the organization of “STEX and BREX competition”. It is an inter-classes program organized for the students overall development. It is a comprehensive program including activities like Cap Click, Short Film Making, Brand Expedition (BREX), Stock Exchange (STEX), E-Treasure Hunt, etc. The success of the event is evident from the participation of students from college.

Model Presentation Competition is an another event organised every year on account of Republic Day wherein students prepare models based on the Independence theme promoting the contribution and importance of Independence and historic events.

Developing Employment and Entrepreneurship Skills:

In order to train the students for Entrepreneurship skills, Business-Plan Activity is organized wherein students prepares a plan for a particular business to carry out in a given time.

It is a regular practice by the College to arrange various guest lectures to inculcate necessary skills required for placement of students. College always seeks opportunities for students so that eligible students can be sent to the campus placement drives.

Another activity called case study where participant of both Computer Science & Management students explain the scenario & solution for the given case is also conducted. Various internal activities for Computer Science students includes Aptitude test based on computer syllabus ,Poster presentation Competition where in students prepare poster for a given topic, Waste out of Best activity is also carried by computer science students by presenting models on the same.
