On first day, the inauguration was done in the presence of Shri. Prakashji Jajoo, President of Harikasn Jajoo Education Sanstha, Secretary of Harikasan Jajoo Education Sanstha Mr. Ashishji P. Jajoo and Treasurer Mrs. Shilpa A. Jajoo, Principal of College Prof. Ritesh D. Chandak and all the faculty members. The technical session on “Hands on experience on Photoshop” was delivered by Prof. Yogesh Patil. He introduces some new features and tools of Photoshop to the faculties which will be useful in their teaching career. He also covered other tools which we can use with Photoshop, it was a very useful session for all the faculties. The session was conducted in the College laboratory.

On second day, the workshop conducted on “Skill for effective communication” which was conducted by Prof. Shital Patil. In that session, she explained why we need to improve our English communication skill as teachers and things which will help us to improve that skill. She took activity through which these all things get clear to everyone. The session was conducted in the seminar hall of College.

On third day, the session was conducted by Ex. BOS member of English faculty SGBAU Dr. Vivek Deshmukh. The topic that he covered was “Importance of English in Higher Education”. He explained the importance of English and how English plays vital role in our educational life. He delivered the topic through great examples of past moments that he faced during his career. The session was very helpful for all the member those were present in that seminar.

On fourth day, the session was on “Learning ICT tools & IoT”. The resource person was Prof. Amol Payghan, he explained and introduced new tools and software that will helpful in our teaching career. He introduces bright application which plays a role like AI in our life. It was the technical session which was very helpful to the teaching faculties.

On fifth day, session was conducted by Prof. Minal Shende and the topic which she covered in that session was “Cyber Security: Get online peace of mind”. She covered many other things which are related to the cyber security like how we can secure our social media accounts, what we can do if someone hacked our accounts, what kind of laws are there, etc. The session was very helpful because every single person is on social media and we need to know about cyber security so that we can use it peacefully.

On the last day of the workshop, the session was conducted by Prof. Amol Payghan, and the topic he covered was “Transitions towards NEP paper pattern”, in that he explained how teachers can set papers and what things we can avoid while setting the papers. He also shared his views on how NEP positively affects our teaching pattern as well as the learning pattern of the students.
