REPORT ON DIGITAL WEEK 2024

Internal Quality Assurance Cell in collaboration with Department of Computer Science organised the Digital Week from dated 20th March to 22nd March 2024. Different events and competitions like Presentation, E-Treasure Hunt and Blind C-Programming were organized for the students.

The aim of organising this program was to provide students with the platform to enhance digital literacy, promote innovations, promote entrepreneurship skills, addressing digital challenges and to show their Digital skills and to share their knowledge with others.

Day 1:

Date: 20 March 2024

Competition: Presentation

On day 1 of Digital week, presentation competition was organised for the students, where the participants presented their topics in the groups. After judging through various parameters, runner and winner of the competition were declared. The co-ordinators of this event was Prof. A.B. Payghan and Prof. H.A. Bharmal. Mr. Yash Kamble from BCA II was the winner of this competition.

Participant presenting topic

Day 2:

Date: 21 March 2024

Competition: E-Treasure Hunt

On day 2 of Digital week, E-Treasure Hunt competition was organised for the students. It is a computer based treasure hunt. Participants were given a question paper to solve. Quick thinking plus GOOGLE search was needed to solve this paper. The team of 2 participants search the answers from GOOGLE and the team with maximum score is declared as winner. This competition receives a huge response from the students and was played in a very enthusiastic atmosphere. The co-ordinators were Dr. A. K. Shingarwade and Prof. A.S. Kalekar. Mr. Praddumna Golhar and Mr. Yash Khatode from BCA III were the winners of this competition.

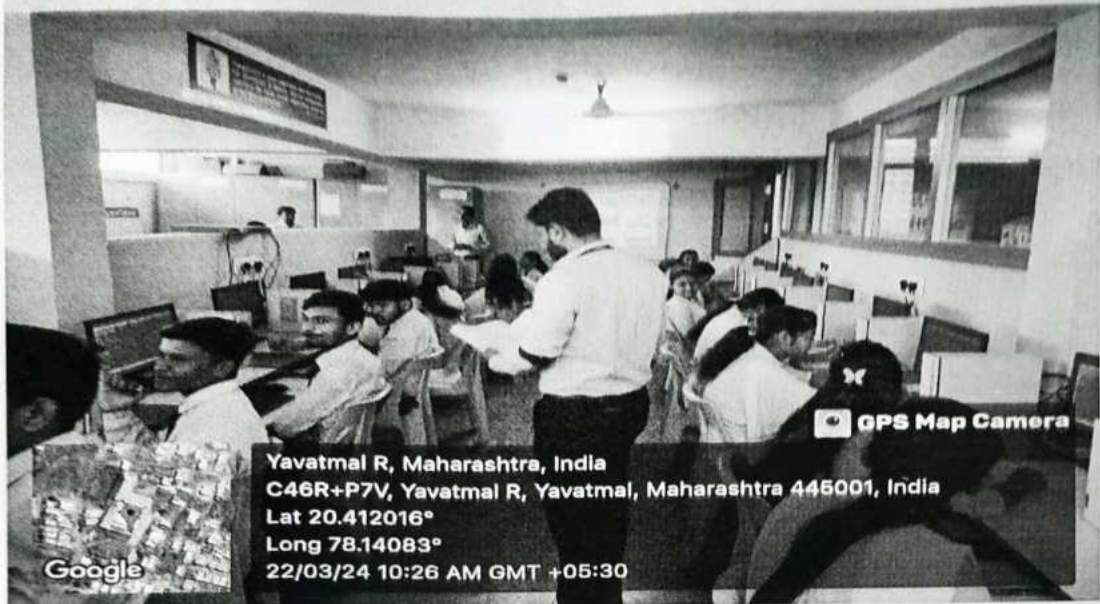

Participants solving paper for E- Treasure Hunt

Day 3:

Date: 22 March 2024

Competition: Blind C- Programming

On day 3 of Digital week, Blind C- programming competition was organised. This competition is use to test C-programming knowledge of the participants. Here the participants try to write the given C program logic blindly with computer screen off. The participants with less number of errors and correct program logic were declared as runner and winner after going through various stages of the competition. The co-ordinators were Prof. Y. M. Patil and Dr. A. K. Shingarawde. Miss. Gauri Kanarkar from BCA III was the winner of this competition.

Guest of honour on dais

After the worship of "Goddess Sarasvati and Sant Gadge Baba", the opening remark was made by Prof. A. S. Kalekar. In his remark, he has given the idea and motive behind organising this Digital Week and also made aware the guests about various competitions that were held during the week.

Worship of Goddess Sarasvati

The guest of honour, Dr. Ajay Lad and Dr. Rupesh Kurhekar, in their speech had thrown light on technological development that happened from the invention of computer to current era. They also guided students about different latest digital technologies and their importance. In their speech, they guided students with different types of digital job opportunities in the IT sectors and congratulate students and the College management and staff for organising such type of event and wish students best of luck for the future.

Hon'able Dr. Kurhekar addressing students

Hon'ble secretary Mr. Aashishji Jajoo and Hon'ble Principal Prof. R. D. Chandak well appreciated the efforts taken by Computer Science department and IQAC cell for organising this event for the students.

Hon'able Prin. Prof. Chandak addressing students

Winners of different competitions were awarded with trophies and certificates. Every participant of every event of digital week was awarded with participation certificates to boost their moral.
