HARIKISAN JAJOO EDUCATION SANSTHA

Today, Harikisan Jajoo Education Sanstha, Yavatmal is one of the fastest growing organization in the field of education. An organization devoted to the cause of propagation of education among all the sections of the society.

The Founders of the Sanstha aspire to create an enduring "College of Management and Computer Science" unique in its "Guiding Vision, Faculty, Curriculum and Students".

The founders, being leading businessmen and industrialists know the demands of the industry and have an urge to train the students as per the requirements of the industry. The founders believe in developing professionals who belive in themselves and are equipped with the latest state of the art in their respective fields; professionals who are confident and can compete in the challenging world.

THE OBJECTIVE

1) To give society a team of young and dynamic management and computer professionals.
2) To run the institute for imparting knowledge and training in management and computer technology.
3) To publish periodicals, journals, books and other literature in the respective fields.
4) To collect information and set up a bureau regarding management and computer technology.
5) To perform all acts, deeds or things that are necessary for the advancement and attainment of the aforesaid objectives.

CMCS FACTS :

- **College of Management and Computer Science, Yavatmal,** was started with the permission of the Government of Maharashtra and was established in the Year 2002, formally affiliated to S.G.B. Amravati University, Amravati.
- **CMCS, Yavatmal** is one of the few professionally run premier institute in this region. The College has been continuously striving for excellence in education, training, research and consultancy in the fields of Management and Computer Science with a **Mission of Offering Value Based Education.**
- Having the aspiration to groom future generation of business and IT leaders, the founders are committed to provide all the facilities and support for quality education and research to the students.
- The environment of **CMCS** nurtures creativity, innovativeness, professional approach, positive attitude, technical skills and motivates the students to excel in their endeavar.
- The College regularly invites experts from allied disciplines of management and computers to guide the students.
- Seminars, market surveys, developing & presenting reports, group discussions and case presentations are held at regular intervals.

- **CMCS** has a committee - based system for a systematic approach towards education, important amongst them are the "Placement, Academics, Seminars and Presentations, Sports, Field visits and Students coordinating committees".

PRESIDENT'S MESSAGE

In Yavatmal district, CMCS is the first college to introduce professional courses such as BCA, BBA, MSc, MBA with a mission to produce young, dynamic & quality computer & management professionals who will lead the industry in near future. It gives me immense pleasure to convey that we have been successfully achieving this since last 22 Yrs.

The world of Globalization has opened new doors for many industries to grow many fields & there is a great need of competent authority that can take over & show remarkable progress with their performance. With the boom in IT, Retail, Manufacturing, FMCG, Banking & Export, India is seen as a favorite destination for business.

We provide the best of infrastructure and a pleasant ambience to study. In our college, we are always in quest to provide eminent personality from the corporate world to interact with students who share their experience & give guidance. We also have separate Training & Placement Cell that help students to get assistance in building their careers.

The guest Lecture series at CMCS will present respected and renowned national & international experts, academicians & practitioners to speak on specific topics related to their field of expertise. CMCS will invite or accept the request from these speakers to share their knowledge and working experience with the students.

I feel proud to say that I have given a great opportuity to the students in Yavatmal district by providing quality education and I am optimistic about my students who will build their great career in near future.

Mr. Prakash H. Jajoo
President,
Harikisan Jajoo Education Sanstha,
Yavatmal

PRINCIPAL'S MESSAGE

"Education is the most powerful weapon which you can use to change the world."
— Nelson Mandela

I am greatly rejoiced and proudly place on record the fact that College Of Management And Computer Science, the visionary dream of it's founder Chairman Mr. Prakashji Jajoo & Secretary Mr. Aashishji Jajoo A visionary leaders whose little mission a decade ago to transform a small college into a big one, has unfolded into an institution of glorious past and great future.

In order to accomplish our vision and mission, we are prepared to take as much effort as possible for the betterment of academic scenario in our region. We believe that education is an effective medium of social transformation. We get encouragement, looking at bright and successful careers of our thousands of students, which subsequently benefit the society. I feel proud that I am a part of such an excellent institute, which is shaping modern India.

College Of Management And Computer Science endowed with progressive futuristic outlook aims continual growth in the quality of all academic activities with a sense of commitment to fully meet the expectations of the students, parents and society at large.

Our college cares for the individual development of each and every student. We follow "mentor system" under which each class is put into the multi-pronged web of a teacher. We accord prime importance to the behavioral discipline, moral integrity and cognitive developments of our students. Departments of NSS, Physical Education and Centre for Women Empowerment offer integrated services for the multi–faceted developments of our students. Our teachers strive to teach not only academic programmes but also life skills needed for students' self development with highly resourceful faculty.I wish the best of fortune, peace and prosperity to all those who contribute to the noble task of spreading education and its manifest qualities, aims and objectives.

MASTER OF BUSINESS ADMINISTRATION

- **M.B.A. - Master of Business Administration**
- **Duration - 2 Year (Full- Time)**
- **Eligibility - Graduation Any Stream with CET**

The Vision of M.B.A. Program

Our vision is to become an internationally top ranked, research driven institute. An institution that will create future leaders for India & the world. The program provides for strong conceptual frame work of management applicable to diverse function areas of business management. The knowledge gained from this program not only promises a successful career but also enables the candidates to reflect critically upon their own skills.

With the increased globalization & one of the most sought destinations, India is creating ample opportunities of business.

CMCS sees three important trends which will influence the world :

* Requirement of global competencies in the world.
* Globalization of Indian Corporations.
* Increasing interest in management best practices in emerging markets including India.

1. Duration And Syllabus Of The Course :-

Duration of MBA is two years, each year consists of two semesters. Syllabus of Sant Gadge Baba Amravati University is applicable for the program. Any change brought out by Sant Gadge Baba Amravati University will be applicable and bound to the students admitted in this course.

In Final Year, following subjects are available for specialization, Student has to choose any one of the following : Students can also opt. for dual specialization.

1. Marketing 2. Human Resource 3. Finance

2. Intake Capacity Of the Course :

The Intake capacity of the M.B.A. program is of only 60 Seats for academic year 2024-2025.

Admissions are done on the basis of rank in Common Entrance Test conducted by MAHA CET. Final

3. Admissions

Admissions are done on the basis of rank in Common Entrance Test conducted by MAHA CET. Final allotments will be based on the marks secured in the entrance test. CAP rounds are conducted by Directorate of Technical Education (DTE), Mumbai as per the eligibility criteria constituted By Govt. of India, Govt. of Maharashtra, A.I.C.T.E., D.T.E. and S.G.B. Amravati University whichever applicable.

4. Fees Of The Course :

This fees has been decided by Fess Regulatory Authority, Mumbai. It regulatory body of Govt. Of Maharashtra for fixation of Fees of all Professional Courses.

Student has to submit the Demand Draft (D.D.) issued by any nationalized bank for amount of fees prescribed by Shikshan Shulka Samiti, drawn in favor of "College Of Management And Computer Science, Department Of Management, Yavatmal."

5. Admission Cancellation Process Of The Courses :

The Process of cancellation of admission is being conducted according to the rules of Govt. of India, Govt. of Maharashtra, A.I.E.T.E., D.T.E. and S.G.B. Amravati University whichever applicable.

6. Teaching methodology of M.B.A. program At CMCS :

A. Case Study :

During lectures, various Cases are put forth for discussion by our lecturers, which help students to apply their knowledge to diffrent business situations. The Library contains numerous books on case studies in various subjects which can prove a great help to students.

B. Managemnt Games :

Learning through games is one of the important techniques to imbibe students with necessary skills. Different managemnt games are conducted as a part of curriculum through which practical knowledge is imparted.

C. Group Study :

Students are motivated to participate in Group Discussions on various topics. Also, they are encouraged to undertake doubt solving sessions with the help faculty.

D. Assignment / Presentation :

All the Students are required to submit assignments on each subject when directed by the faculty members. The students are also required to give Presentation on selected topics, in the class. This helps in enhancing one's Communication Skills and understanding the effective use of Audia / Visual Aids. These activities enable the faculty members to judge the Student's Progress.

E. Sessional Examination :

Two Sessional examinations are included in annual curriculum covering all the subjects. These examination helps the students to assess their potential and also serve as stepping stones for the final examination.

F. Event Management :

Every year full intra Collegiates Cultural & academic program is planned implemented & conducted by students under the guidance of faculty members allowing them to develop their organizational akills including resource mobilization & other talents.

G. Summer Training / Projects :

Summer Training / Projects for a minimum period of one and half month in any business Organization form an invaluable tool in learning process of the students. It enables students to get an exposure of functioning of an organization. It also provides an opportunity to apply their theoretical knowledge in practice and also help to inculcate a spirit of team work. The project report is subsequently submitted to the institute.

H. Role Plays :

Role Plays provide the situational acumen to take decision in varied business condition. Role play enables students to understand the business situations & take the correct decision under given circumstances. It is also called as simulation process wherein students works as real managers.

7. Various Cell of CMCS :

Different types of Cells are constituted ebery year, under the supervision and guidance of faculty members. Various cells of CMCS includes.

A. Training,Placement & Entreprenurship Development Cell :

1. SIP :

Summer Internship project is a 30 - 45 days project work to be carried out by the sudent in a company / organization under the guidance of company executive. The aim of this project is to give the industry exposure to make the student familiar with the environment & culture of Industry. The College provides assistance in clinching the project in various organizations. The students may also get pre placement opportunity through SIP depending on their performance during SIP.

2. Industrial training & Industrial visit :

We, at CMCS organize regular industrial visit program at various places in India. Industrial Training Cell organize training programs workshop that give confidence to the students to cope up with the real challenges. The aim of the Industrial training is to impart knowledge & experience from the industry experts to the students in a more pragmatic way.

3. Collaboration / Industrial Interaction :

CMCS is proud to recite that they have a collaboration with various bodies & organization those who are masters in their field of personality enhancement, career development etc.

The Collaboration helps the students to assimilate the necessary skills in themselves to develop their personalities to a great extent.

4. Placement Cell :

The Placement cell is constituted every year headed by the placement in-charge with the objectives of acquainting CV's of the students to the corporate world. To facilitate this, the institute comes out with placement broucher which is made available to various business organizations. This helps the outgoing students to fetch suitable position with their capacities in various business organizations. Institute provides all responsible assistance to students fro placement.

Participation Criteria :

In order to be liable for placement, the student must meet the following criteria :

a. Minimum 80% attendance in all lectures.
b. 80% attendance in Guest Lectures.
c. At least, two paper presentation and two case studies in each subject.
d. 80% attendance in all sessions related to placement activities.
e. Should have cleared all previous semester examinations without backlog.

5. Final Placement :

The placement cell work tirelessly to develop students & ingress themselves in to the world of Corporate.

B. Radiance Cell :

The event Radiance is a tradition in CMCS Family and is organised as an annual function. It provides a platform to their talents and quality of leadership. Every year the event conducted by student of CMCS under the guidance of faculty members.

C. Guest Lecture Cell :

The college knows the importance of industry exposure to MBA students. With this aim, the college has started a guest Lecture series, in which we arrange guest lectures every week.

The guest lecture series at CMCS will present respected and renowned experts, academicians & practitioners to speak about specific topics related to their field of expertise.

CMCS will invite or accept the request from these speakers to share their knowledge and working experience with the students. The guest lecture cell looks after Planning and Organizing Seminars & Guest Lectures on different topics of Management by eminent Speakers from Corporate and Academic sector.

D. Induction / Orientation Cell :

This cell is responsible for proper Orientation of new comers (Freshers) in the institute. The students are oriented with the Rules and Regulations, Activities undertaken and their responsibility etc. The students are being acquainted to the college culture.

E. Management Soft Skills :

1. Business English : In the world of Globalization, the English language is dominant of all. It is the language of Management. This session enrich students Business communication, Vocabulary and many more aspects of English that enable them to withstand themselves in this competitive era.

2. Soft Skills : A curriculum has been designed by taking national and international management soft skill practices in to account. MSS is the only practice which paves the way of students by Conducting Seminars, GDs and panel interviews. These are regular practices which also include studying the Indian business houses, Business model study to develop enterpreneur prowess. To understand the Advertising strategies of curporate, a real Study on Advertisement is taken in practice. Moreover students are also thought Time Managemntm Stress Managemnt, Money Managemnt and Event Management.

F. Economic Times Session :

We conduct regular sessions on ET Newspaper which aware student what is happening in the Nation, Abroad, Worldwide, Corporate Government Policies, stock market etc. Students are also asked to present seminar on IT sector, FDI, budget, Inflation, Industrial policies, so that they can become productive and competitive.

G. Event Management :

Management is all about doing thins in scarce resources. This session basically enhances student decision making and working in team quality within limited resources. Event managemnt Student's team has been organizing event like Stock Exchange (STEX), Mega-Champion Welcome Party, Presentation Expedition (PREX), Guest Lectures, Budget Review Sessions and workshop on leadership, motivation etc. Students Event Cell is very active in assisting to conduct Management strategic Games in premises.

H. Business News Hour :

Regular watch on stock market's ups and downs are collectively studied through CNBC News Channel. Students are also asked to Present Seminar on Analysis and Act. This is completely intellectual session enhances student's decision making skills in stock market.

FACILITIES AT CMCS

CMCS provides its students the entire infrastructure necessary to make student life an epoch to remember. The college includes an Administrative Block, Teaching Block, a Library & a Computer Lab. It also has a Multipurpose Hall to accommodate around 500 persons at a time which is used to conduct Seminars, Debates, Annual Functions etc.

Computer Laboratory :

CMCS has one of the finest computing environments among computer and management institutions in the region. CMCS has 120 computer systems which are in a network. Computing infrastructure at CMCS offers a truly heterogeneous range of latest hardware and software platforms available from morning to evening. It represents the major attraction of CMCS for the students to appreciate and gain wide-ranging experience. Computer lab is equipped with wi-fi networking.

Electronics Laboratory :

As per the requirement of the syllabus of University, all the equipments and apparatus are available in Electronics Lab.

Library :

The College has a well-stocked library with around 8000 + Books. It has books covering all aspects of Management and Information Technology with the latest editions from the best Indian and foreign publishers. E-Journals on Management are subscribed as per syllabus.

The library has subscribed to various computer magazines and has a good collection of them on various subjects and has also the latest edition of Encyclopedia, and Daily Newspapers.

Library is kept open for 10 hours. Library timings are from 8.00 A.M. to 6 P.M.. There is an open access to all the students. Reference section is accessible any time during the library working hours. Students can borrow two books at a time. Almost all the books related to Computer, Electronics & Management are available in the library.

Communication And Personality Development :

To Groom the student's personality, the institute conducts Communication and Personality Development workshops for students. These workshops includes areas such as Communication Skills, Effective Public Speaking, Group Discussions, Personal Interviews, English Speaking, etc.

Presentions are done through Projector by the teachers and the students. We carry out these activities to create industry awareness and orient the students towards industrial work culture. For overall growth of the final year students, the Institute undertakes special training programmes that includes,

— Aptitude tests — Psychological tests

— Resume writing — Mock Interviews
