Admission Open for FY- BBA (2025-26)

Why you should do BBA Course?

What is BBA?

BBA (Bachelors in Business Administration) is one of the most sought after career option for someone looking to get into management. This course is three year degree course at the under graduate level where in one will be taught in depth knowledge and skills of International Business, Marketing, Human Resource, Finance, Information System and Insurance.

Students opting for **BBA** will enhance their managerial and business skills more over they will also be able to strengthen their communication, Entrepreneurial and technological skills on completion of the degree.

Primary focus will be more on core field of Management, Finance and Human Resource, Marketing that will help one to land managerial jobs.

BBA is under AICTE, which is National Level Government Undertaking, due to this after completion of this Degree, will have more recognitions than any other Commerce Degree.

Student must have passed MAH-B-BCA/BBA CET Examination.

Career Prospects:

The Indian economy has undergone vast changes compared to what it was several years ago. In the early stages the economy of India was a closed one due to which there was lot of financial crisis and economic burden on its part.

India began to liberalize and globalize its economy by decreasing its control over the domestic industry. This not only increased the openness of India economy to rest of the world but also gave rise to innovation and increased competition.

The introduction of FDI (Foreign Direct Investment) and FII (Foreign Institutional Investors) in the economy have helped in increasing employment opportunities as well as expanded the aspect of career opportunities.

After completion of **BBA** one can land with a lucrative career in:-

The Banking Sector,

Management sector,

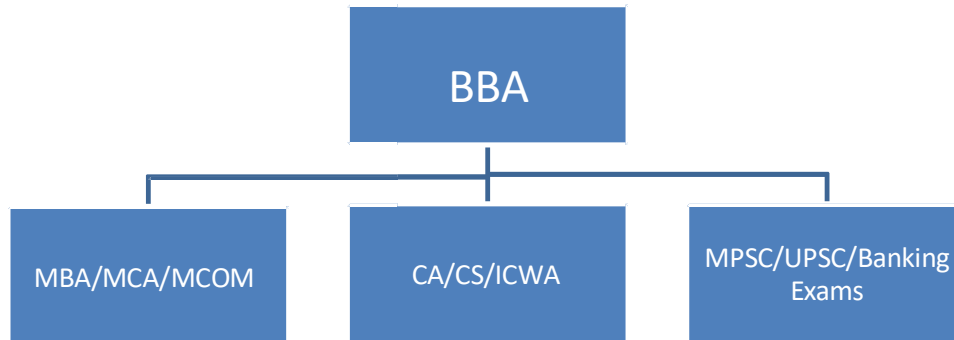

Multi-national organizations,

Retail Sector,

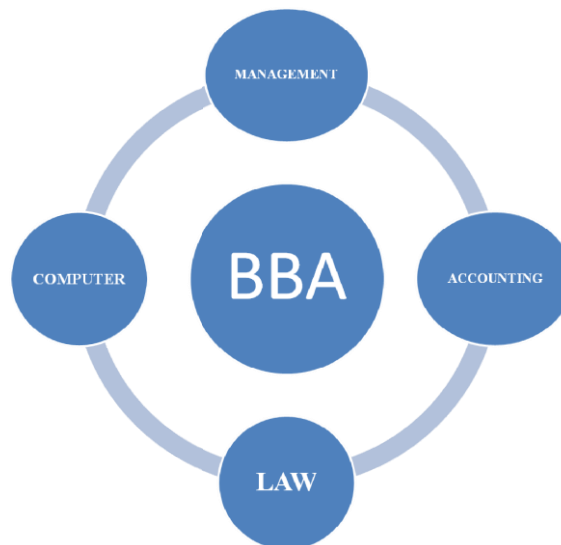

Export companies,
Finance Organizations,
Educational Institutions,
Marketing Organizations

Further Studies:

Those who have completed their BBA can avail various courses for post graduation according to their interest.

Overall, the BBA degree scores in providing more options for growth whether it is for a job, studies or setting up your own business.

The course curriculum of a three year BBA Course is so designed that it provides the students a basic understanding about Management skills and trains them in effective communication skills. The course also inculcates entrepreneurship skills in students. With this kind of curriculum, students are better poised to explore various opportunities that they have in management profession. The course covers basic business economics, mathematics, accounting, computer fundamentals, management theory and practice, marketing management, knowledge about the country's economy, human resource management, financial management, business law, communication skills, personality development etc.

Why CMCS (Jajoo College)?

College of Management And Computer Science (CMCS) was started in 2002, its first college in Yavatmal District which started BBA course which is affiliated to Sant Gadge Baba Amravati University.
