REPORT ON

INDUSTRIAL VISIT of B.Sc. Department

Session 2025-2026

Organizing Committee : Training, Placement, and Entrepreneurship Development Cell

Organizing Members : 1. Prof. Yogesh Patil
2. Prof. Shital Patil
3. Prof. Minal Shende
4. Prof. Om Tigharkar

Date of Program : 26 July 2025

Venue : Takali Water Filtration Plant, Yavatmal

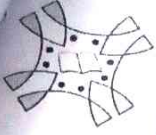

Beneficiary : Students and Staff

Aim of Program : The main aim of an industrial visit is to provide students with practical exposure to real-world working environments. It bridges the gap between theoretical knowledge and practical application. It helps students understand workflows, explore career opportunities, network with professionals, and gain insights into emerging technologies and industry trends.

Description : The Training, Placement and Entrepreneurship Development Cell of the College of Management and Computer Science, Yavatmal organized an industrial visit to the Takali Water Filtration Plant for B.Sc. First Year students on 26th July 2025 at 9:00 AM. The visit received an enthusiastic response from the students.

Such industrial visits provide students with hands-on exposure to the industrial environment and help develop their professional skills. During the visit, students get an opportunity to observe various processes, interact with professionals, understand operational workflows, and learn about modern technologies and industry standards.

This visit allowed students to observe the practical application of scientific concepts, making their learning process more impactful and long-lasting. These experiences are not only educational but also valuable in shaping their future professional careers.
