Description :

The Training, Placement and Entrepreneurship Development Cell of the College of Management and Computer Science (CMCS), Yavatmal organized a **Resume Building Session** for students. The session was conducted under the guidance of expert faculty members who shared valuable inputs on how to make resumes stand out in the competitive job market.

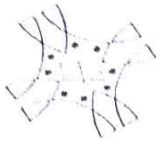

Prof. Minal Shende (Head, Training, Placement & Entrepreneurship Development Cell) guided students on creating **ATS-friendly resumes**, highlighting the use of modern tools, apps, and techniques to ensure that resumes pass through automated screening systems effectively. She also emphasized the importance of using appropriate keywords and professional formatting.

Prof. Om Tigharkar (Co-Ordinator, Training, Placement & Entrepreneurship Development Cell) provided insights into the **correct structure and format** of resumes, explained how to upload resumes on various job portals, and demonstrated effective networking strategies to enhance resume visibility.

The session also stressed the importance of customizing resumes according to job profiles and industries, thus increasing the chances of selection during placements.

The program received strong support and encouragement from **Principal Prof. Ritesh Chandak**, who motivated students to take full advantage of such skill-enhancing initiatives.

Overall, the session was highly interactive, where students actively participated, asked queries, and received hands-on guidance on resume improvement. The initiative proved beneficial in preparing students for their upcoming placements and career opportunities.
