A Report

On

Digital Week

To,

The Principal,

College of Management and Computer Science, Yavatmal

**Subject:** Submitting the report on Digital Week.

Respected sir,

With due respect, this is to inform you that the Internal Quality Assurance Cell in collaboration with Department of Computer Science has conducted the Digital Week from dated 17<sup>th</sup> March to 21<sup>st</sup> March 2025. This Program was inaugurated by Hon'ble Shri. Aashishji Jajoo, Secretary, Harikasn Jajoo Education Sanstha, Yavatmal, and has presided over the function. Mrs. Shilpa Jajoo, Treasurer, Harikasn Jajoo Education Sanstha, Yavatmal and Prof. Ritesh D. Chandak, Principal, College of Management and Computer Science, Yavatmal graced the occasion.

Digital week evoked a good response from the participants. Different competitions such as Tech Tales – AI Reel Making Competition, Game War – Gaming Competition, Cyber Genius – Digital Literacy Quiz, WebStyler – Web Page Designing Competition, and Blogbuzz – Blog Writing Competition were organised for the students. These competitions proved very beneficial to the students to know and aware about the latest happenings and new technologies in the digital world.

With Regards,

Prof. A. B. Payghan  
(HOD BCA)

Prof. Y. M. Patil  
(HOD B.Sc.(Computer))

Dr. A. K. Shingarwade  
(IQAC Co-ordinator)

## REPORT ON DIGITAL WEEK 2025

Internal Quality Assurance Cell in collaboration with Department of Computer Science organised the Digital Week from dated 17<sup>th</sup> March to 21<sup>st</sup> March 2025. In this week different competitions such as Tech Tales – AI Reel Making Competition, Game War – Gaming Competition, Cyber Genius – Digital Literacy Quiz, WebStyler – Web Page Designing Competition, and Blogbuzz – Blog Writing Competition were organised for the students. These competitions proved very beneficial to the students to know and aware about the latest happenings and new technologies in the digital world.

The aim of organising this program was to make students aware of the latest happenings in the digital world which is not covered in their University curriculum.

### Inauguration

The inauguration function was held during 10:30 am to 11:00 am on 17<sup>th</sup> March 2025. This Program was inaugurated by Hon'ble Shri. Aashishji Jajoo, Secretary, Harikasn Jajoo Education Sanstha, Yavatmal, and has presided over the function. Mrs. Shilpa Jajoo, Treasurer, Harikasn Jajoo Education Sanstha, Yavatmal and Prof. Ritesh D. Chandak, Principal, College of Management and Computer Science, Yavatmal graced the occasion.

After the worship of "Goddess Sarasvati", the opening remark was made by Dr. A. K. Shingarwade, IQAC Coordinator. In his remark, he has given the idea and motive behind organising this Digital Week.

The guest of honours Mrs. Shilpa Jajoo and Principal Mr. R. D. Chandak well appreciated the efforts taken by Computer Science department and IQAC cell for organising this event for the students.

Hon'ble Shri. Aashishji Jajoo marked the opening of this Digital Week and shared his best wishes for the success of the event.

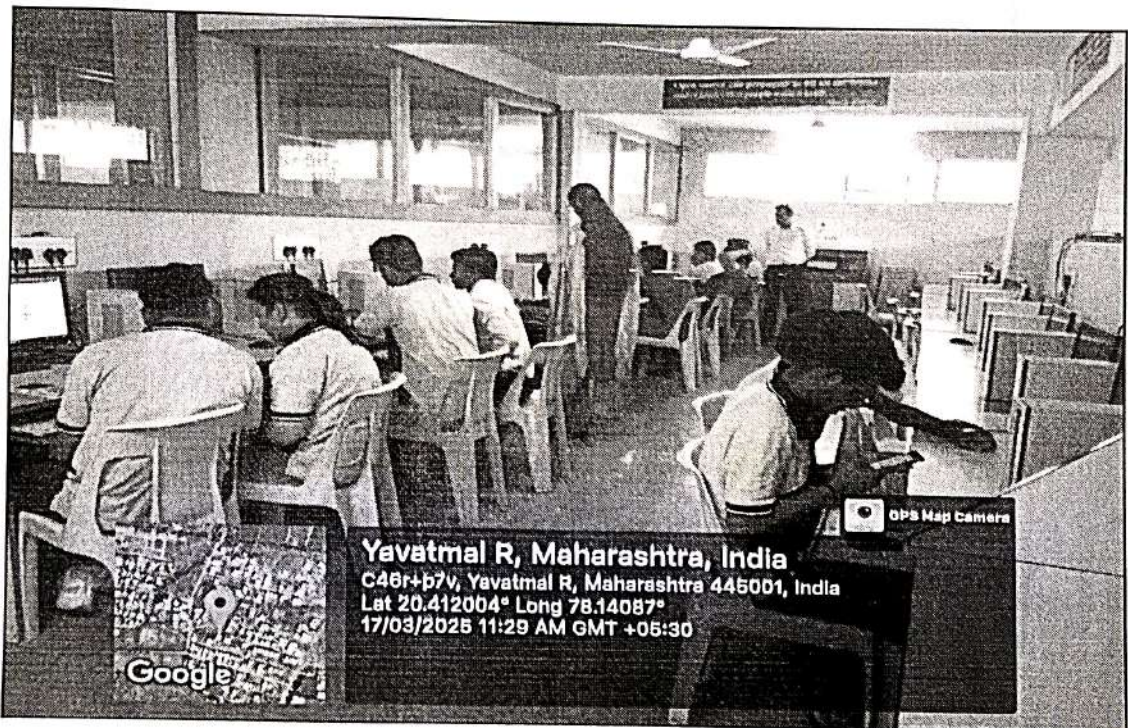

**Day 1:**

**Date:** 17 March 2025

**Competition:** TECH TALES – AI Reel Making Competition

The TECH TALES – AI Reel Making Competition was an engaging and innovative event designed to encourage students to explore the creative applications of artificial intelligence. Organized to inspire young minds, this competition provided a platform for students to showcase their storytelling abilities through AI-generated content in the form of short reels. The primary objective of the competition was to enhance students' understanding and utilization of AI tools in multimedia creation. By integrating artificial intelligence with storytelling, participants learned how to leverage technology to produce compelling visual narratives.

The competition was open to students from various educational institutions. Participants competed in teams, submitting AI-generated reels that adhered to the given theme. The event attracted enthusiastic students from diverse academic backgrounds, eager to explore AI's potential in digital storytelling.

Students Preparing their reels

**Day 2:**

**Date:** 18 March 2025

**Competition:** GAME WAR – Gaming Competition

The GAME WAR – Gaming Competition was an exhilarating event designed to engage students in the competitive world of esports. Organized to promote strategic thinking, teamwork, and gaming skills, this competition provided students with an opportunity to showcase their talents in Battlegrounds Mobile India (BGMI).

The primary objective of the competition was to encourage students to develop their gaming abilities while fostering teamwork, coordination, and strategic decision-making. The event aimed to create a competitive yet fun atmosphere, allowing participants to test their skills against peers in a structured gaming environment.

**Students Present for Game War Competition**

**Day 3:**

**Date:** 19 March 2025

**Competition:** CYBER GENIUS – Digital Literacy Quiz

The CYBER GENIUS – Digital Literacy Quiz Competition was an insightful and educational event designed to enhance students' understanding of digital literacy, cybersecurity, and responsible online behaviour. Organized to promote awareness of the digital world, this competition provided students with an opportunity to test and expand their knowledge on various aspects of digital literacy.

The primary objective of the competition was to educate students about digital literacy, online safety, cyber ethics, and the responsible use of technology. The event aimed to equip participants with essential knowledge to navigate the digital landscape safely and effectively.

**Students Present for Digital Literacy Quiz Competition**

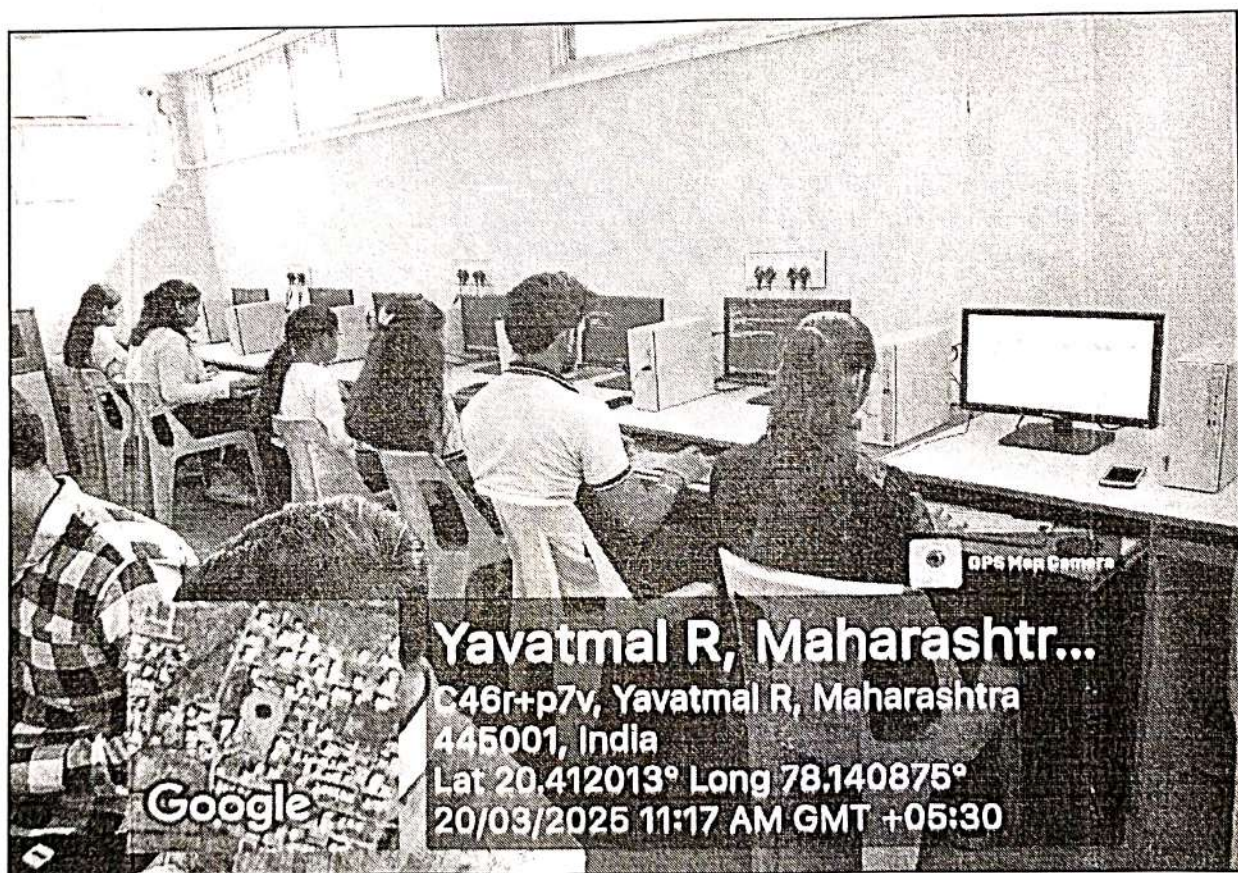

**Day 4:**

**Date:** 20 March 2025

**Competition:** WEBSTYLER – Web Page Designing Competition

The WEBSTYLER – Web Page Designing Competition was an exciting and educational event aimed at fostering creativity and technical skills in web design among students. Organized to encourage digital innovation, this competition provided participants with an opportunity to showcase their ability to create functional and visually appealing web pages.

The primary objective of the competition was to enhance students' understanding of web development concepts, user interface (UI) and user experience (UX) design, and the use of modern web technologies. The event aimed to cultivate problem-solving skills and encourage students to think critically about effective web design.

**Students Present for Web Page Designing Competition**

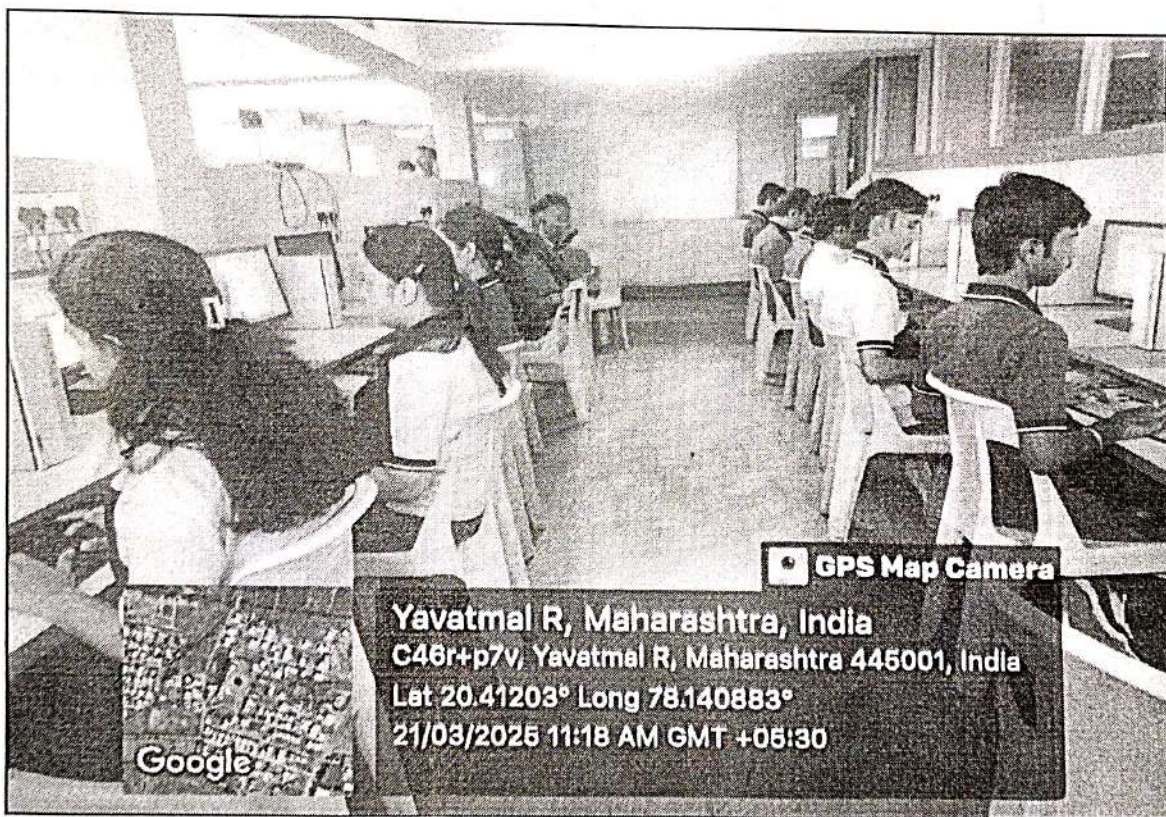

**Day 5:**

**Date:** 21 March 2025

**Topic:** BLOGBUZZ – Blog Writing Competition

The BLOGBUZZ – Blog Writing Competition was an enriching and thought-provoking event designed to enhance students' writing skills and encourage creative expression. Organized to promote content creation and digital literacy, this competition provided participants with an opportunity to craft compelling blog entries on diverse topics.

The primary objective of the competition was to improve students' abilities in research, writing, and articulation of ideas while fostering a culture of blogging and digital storytelling. The event aimed to inspire young writers to explore meaningful themes and share their perspectives effectively.
